Sir,

With reference to your letter No L 16970 dated 16th June 1947 calling for my opinion on the proposal of Tumkur Town Municipal Council to grant Rs 500/- to edit and publish a handbook of Tumkur Town, I have the honour to state that I examined the table of contents of the - book proposed to be published The author seems to have collected some historical facts Coupled with these he has made an attempt to trace the gradual development of the town particularly in the field of commerce This book will serve as a useful guide and the Municipal Council have therefore thought fit to encourage the author by granting a subsidy taking into consideration the amount that has to be invested for paper, printing, photography etc The Author has been taking the advice and guidance of a consultative Committee consisting of leading gentlemen of Tumkur Town

In consideration of the above, I support the resolution of the Municipal Council and recommend the - sanction of a grant of Rs 500/-

A printed pamphlet mentioning a brief - summary of the facts to be embodied in the publication -

is enclosed for reference
